EXPERIENCE

Instructor Coach, Nucamp Coding Bootcamp

july 2019 - PRESENT

I deliver courses on any of the modules of the full-stack bootcamp. This includes courses on react, react native and node. I also host refresher courses and mentorship for other/new instructors. Responsible for observing other instructors to ensure competency of course material.

Freelance, Entrepreneur

july 2018 - PRESENT

Deliver and maintain small business sites for customers. Front-end facing and landing pages. Iterative deployment sites as needed.
