## PROJECTS

### **LibraryApp** — *Mock library* - [mockbookstore.herokuapp.com](http://mockbookstore.herokuapp.com)

A full stack project completed with the MERN stack and Redux for state management. Allows a user to view all books stored on database and add a new one.

### **Morning Cup** — *News Source* - [morningcup.herokuapp.com](http://morningcup.herokuapp.com)

News hub that offers users a variety of news sources to display their top current articles(via news API) and allows for local information if the user is logged in.

### **Soft Pines Resort** — *Business Site* - [www.softpines.net](http://www.softpines.net)

A site for Soft Pines Resort, a bar and grill. Site highlights the menu and food, an image gallery and has a contact form for cabin rentals.

### **CR Photography** — *Portfolio* - [4cody.github.io/photography](https://4cody.github.io/photography)

Portfolio Website for photography, used to display photos taken and offers a bio of the photographer and a contact form in order for future clients to reach out.
